MEMORANDUM FOR: Chairman, Fine Arts Commission

SUBJECT : Suggestion for Exhibition of Cultural
Artifacts from the Latin American Area

REFERENCE : Memo dtd 5 Feb 75 to C/LAD from C/FAC,
same subject

1. I have pulsed our Office Directors and asked them to check through their respective organizations to determine if anyone would be interested in either contributing to the cultural artifacts program or else simply assisting in the overall effort. I will let you know if we get any positive responses.

2. Let me take this opportunity to commend you and the Fine Arts Commission for your accomplishments over the years. We seem to take it in stride and for granted, but when one pauses to reflect, we cannot help but feel how fortunate we are as an organization to have people who are willing to contribute not only to our pleasure but our cultural advancement. We would certainly encourage you to keep up the fine work the Commission has exhibited over the years. You have the gratitude of all in this Directorate.

14 February 1975

Dear Jack:

I have just finished reading your letter of 12 February and would like to comment that actions have already been initiated which I believe will provide you with the information you need on a much more timely basis. Rather than try to explain what is underway in writing, I would like to brief you in detail on this subject during our scheduled meeting next Thursday and trust you will find this acceptable.

Sincerely yours,
